

ABOUT US

DY Infra, a proud arm of the renowned Mundra Group, has earned a reputation for trust, transparency, and timeless construction. With roots deeply embedded in integrity and innovation, DY Infra continues to shape the skyline of Gujarat – one landmark project at a time. Whether it's luxury residential spaces, commercial hubs, or industrial infrastructure, we strive to build spaces that inspire.

COMPANY OVERVIEW

DY Infra & Projects Pvt. Ltd. is a rapidly growing multi-service infrastructure player in India, combining hospitality project delivery, telecom infrastructure expertise (under IP-1 license), advisory/legal support, and bespoke furniture solutions. With a promoter-led board, strong financial performance, and a PAN-India operational footprint, it presents as a versatile partner for telecom operators, hospitality chains, MNCs, and real estate stakeholders.

OUR SERVICE

DY Infra offers end-to-end construction solutions, including residential and commercial projects, turnkey execution, and structural supervision. We also specialize in interior finishing, elevation work, and space planning. With a focus on quality, timely delivery, and modern design, we build spaces that are functional, durable, and built to last.

Residential Development:

Building homes that blend design, comfort, and long-term value

Commercial Spaces:

Smart layouts for retail, offices, and business centers

Industrial Projects:

Infrastructure for manufacturing and warehousing.

Project Planning & Execution:

From concept to completion – with a focus on timelines and quality.

Consultation & Turnkey Solutions:

End-to-end development support for investors and landowners.

WHY CHOOSE DY INFRA

At DY Infra, we believe in building more than just structures – we build trust. With a quality-first approach, clear communication, on-time delivery, and a skilled team using modern techniques, we ensure every project reflects excellence. We are here to create lasting spaces where people can live, work, and grow.

WHAT WE DO

We provide end-to-end construction services, from initial planning and design to on-site execution and final delivery. Our work spans residential and commercial buildings, structural supervision, elevation and interior finishing, and complete turnkey projects. Every project we take on is backed by technical expertise, hands-on supervision, and a deep understanding of client needs.

OUR REAL ESTATE FOOTPRINT

DY Infra is a forward-thinking construction and infrastructure company dedicated to building quality spaces with precision, purpose, and passion. With expertise in residential, commercial, and mixed-use developments, we turn vision into reality — brick by brick. Our commitment lies in delivering value-driven solutions that meet modern standards while maintaining a strong foundation of trust and integrity.
